**Guidelines:** Due to the difficulties of delivering instruction in a setting other than at school, the guidelines are as follows:

1. The student will be registered for online classes (Utah Students Connect UTSC) according to the classes she/he is currently enrolled in and the credits needed for graduation.
2. The student will be assigned a H&H facilitator who will meet with the student once a week for two hours. The facilitator will provide support and answer any questions the student may have with his homework and assignments. The student will have access to the online teachers and the H&H facilitator.
3. The H&H facilitator will call and arrange an appropriate time for the weekly meetings. A responsible adult **must** be present during every H&H visit.
4. Failure to notify the H&H teacher of cancellations will result in the student being dropped upon the second absence.
5. Upon termination of services, parents are to contact **Student Support Services.**
