

Manifestation Determination Review – 504

Student: _____ School: _____
Date: _____ Grade: _____

Nature of the Student's Disability:

Nature of the Behavior Subject to Disciplinary Action:

In making the determination, the 504-team determined whether the conduct was caused by, or had a direct and substantial relationship to the student's disability. In reaching a conclusion, the 504 team considered the factors listed below:

In relationship to the behavior subject to disciplinary action:

1. Was the behavior(s) a reason for the student being initially referred for 504 services? Yes No
2. Does psychoeducational testing and/or information received from the parent indicate this type of behavior? Yes No
3. Is the student's current 504 and placement appropriate? Yes No
4. Has the student's 504 plan been consistently implemented? Yes No
5. Does the student's 504 plan contain interventions or accommodations, which address this type of behavior? Yes No
6. Has the student demonstrated an observed pattern of this type of behavior in the past? Yes No
7. Is there record of behavior incidents subject to discipline? Yes No
8. Did the typical behavioral characteristics associated with the student's disability contribute to the initiation and/or continuation of the behavior? Yes No
9. Was the behavior affected by psychosocial events unrelated to the disability (e.g., death, illness, family conflict)? Yes No

Determination:

Based upon the information considered, the 504 team determined that the behavior was was not a manifestation of the student's disability.
